A rarely tackled theme, a late 15th Century Romanian event!

With Hungarian aggressors in the North, the Ottoman Empire attacking from the south and a standing army of less than 30,000, only a legend as fearsome as Vlad Basarab III, also known as Vlad the Impaler, could keep a nation from certain demise. Join the Barony of An Dubhaigeainn as we separate fact from fiction about the man who became known to the world as Dracula. This event is PG-13 for blood, gore, and graphic descriptions.

The reigning Baronial Champion, Juan Paco Sánchez will complete his term and craft a tourney to determine his successor.

There will be an all two-handed weapons tourney as well as every-man-for-himself matches.

A period documented Romanian feast shall follow a court inspired by a painting of Vlad receiving the Ottoman emissary.

The site is wet - as such- a tablero board should and will be present.

# From the Coronet

Unto the populace of An Dubhaigeainn, do your Baron and Baroness send greetings!

The gauntlets have been tossed! At the Feast of John Barleycorn, our champions put forth their words of challenge to the champions of Ostgardr. These challenges shall be met at an event in the future to be hosted by the Crown Province of Ostgardr – more info to come.

As October begins, we embrace a new King and Queen, congratulations to TRM Kenric and Avelina. May their reign be exciting. We also look forward to the next Baronial event, St Andrew Gets Bit by Dracula, which we hope the populace will turn out in mass. The event looks to be quite a lot of fun; and we will experience the culinary delights of yet another new cook in the Barony.

In Service,

*David and Suzanne*
