Canton of Hawkes Reache Officer Positions

- *Chatelaine
- *Exchequer

Greetings All,

The primary purpose of this month's meeting will be about the Canton's officers. We will be voting on a candidate for Mistress of A&S. Also, Sorcha, our Exchequer and Chatelaine for many years, will be stepping down at the end this December. Sorcha has been a mainstay of the Canton since its early days, and I appreciate all that she has done for the Canton. Now we have to find someone to fill her shoes. Her position was holding two separate offices. So two people can apply for either one of them, or one person can apply for both of them. The one office that we do need to replace, by the end of December, is Exchequer. Otherwise the Canton's status is in question.

If anybody would like to apply for Exchequer or Chatelaine, or if you have any questions about these offices, please contact me either by e-mail, Facebook or you can call me at 631-428-7492.

In Service,
Alec MacLachlan

Learn to Brew!!!! NEW Open Brew Days!!!

Don't have the equipment and or knowledge? Just want hang out and brew beer? What are you waiting for? Brew with Thorolf at the Vincog brewery, on the Baroness's estate, 417 Free State Dr., Shirley, NY, 11967. Take home wort or wait a week or two and take home beer. Kettle fire at noon. Check baronial calendar for dates.

One must contribute to the production costs and participate in the brewing process to be eligible for product. Once the yeast is pitched its beer and I can't sell beer. One must also provide ones own transport container or packaging, ie Primaries or carboys for wort and bottles or keg for beer. Estimated material cost is \$4.00-\$5.00 per gallon of wort. Supplies might be limited.

Every month we will try to do something different; style, ingredient, technique etc or explore in depth some basic technique of the process. Please RSVP with Thorolf., ltegillsen@gmail.com or [6312583576](tel:6312583576). No calls after 9:00pm. Contact Thorolf at same for more information. Email preferred text discouraged. Anyone emailing me on the subject will be added to Google calendar and receive automatic updates as they become available.

Saturday November 22- Style. Winter is coming. Lets brew something a little hearty to get us through to spring. Stout has been suggested. What kind? How about oatmeal.

December 13 Style and Technique. The WLP530 has served us well and we should have plenty of viable yeast so lets do two beers. We'll brew partigyle and brew a Barley wine with the first runnings and a lighter Beer with the second runnings.

Looking for suggestions for 2015. January - March we'll be using to lager yeast. I have to do a Märzen for Oktoberfest in March. March is also the month I plan to switch back to abbey ale yeast so it could go either way for that open brew day. April and May will be brewing with abbey ale yeast. June-August it's kolsch yeast. I really want to try making Berliner weisse with a sour mash, triple decoction and Kolsch yeast. In autumn were going back to English ale yeast and English and autumn beers in including another unspiced Pumpkin or squash beer. At some point we will have to do braggot, meads, and a wine in the fall, if there is interest.

Fencing Tourney

Save my Sheep!

This tourney shall take place in the rocky crags outside the Clan MacEanraig tavern, the Bloody Kneecap. The format will be a round robin for the first three parts, then by invitation only to defend the sheep. Keep in mind that the Marshal in Charge is challenged in accounting and can be bribed to assure a fencer has a score of 1 pt if needed...

The tourney will start with all fencers facing off against each other in a round robin, 3 to 5 bouts each, depending upon the size of the field of fencers. The field will be on a slope with some obstructions and perhaps trees, so terrain will play a bigger part than in usual tourneys. The first round of fights will be with single sword only, the second round shall be with sword and targe (a buckler of EK regulation size limits to 24" round or less), the third round shall be with sword and shillelag (stick or cane) with the last series using a plushie sheep and single sword. Default weapon options if the fencers are not qualified will be single sword. Total scores will be tallied as follows: first blood in the best of 3-5 series gets 2 pts(this is awarded only once per pair of combatants), killing an opponent 1 pt, and a double kill will count as -1pt for both fencers. Each fencer will be scored in each series of bouts, and only those fencers with a positive score may proceed to defend my sheep.

For the last part, in defense of the sheep, a sheep may be carried or placed on the ground (in the case of fencers not qualified in soft parry they must place the sheep on the ground 10ft. from any edge of the list field OR carried behind their person with the off hand). Once placed on the ground, sheep CANNOT move nor be picked up again. Sheep are not to be abused, kicked, verbally molested or mistreated when on the ground! If an opponent stabs a loose sheep with their sword, it is considered dead and the sheep's defender loses the bout. Sheep that are stepped on or kicked by any fencer will run away, and the defender of said sheep loses. Sheep CAN be used as a soft parry and will not die if used as such. (these are MY weird sheep...) This part of the tourney is a round robin single elimination, courtesy and chivalry to be shown to an opponent who loses an arm or leg. A double kill is a double kill, no do overs.

There are prizes for each of the top placements in the four aspects of this tourney, let's see who can save my sheep the best!

From the Coronet

*Unto the populace of An Dubhaigeainn,
do your Baron and Baroness send
greetings!*

The month of October was quiet, but November will be exciting.

The first of the month brought new heirs to the Great Eastern thrones. Congratulations to Tribune Omega and Duchess Etheldreda; we wish them good luck in their new roles.

We look forward to the Baronial birthday – St Andrew's returns to Scotland. The valiant fighters of the Barony will compete for the honor of Baronial Heavy Weapons Champion. There will be a great many other diversions to entertain the masses as well.

As always, we hope that the populace of An Dubhaigeainn will come out and play with the Barony both at home and abroad. We look forward to see you.

In Service,
David and Suzanne
